A photograph of a professional kitchen with a textured brick wall. A line of chefs in white uniforms and tall white hats are working at a stainless steel counter. Several brass lamps with glass shades are mounted on the counter, casting a warm glow. The chefs are focused on their tasks, and the overall atmosphere is one of a high-quality culinary environment.

# AN EXTRAORDINARY CULINARY EXPERIENCE

We take great pride in our culinary expertise. The food and the care with which it's served rival that of five-star restaurants, with tantalizing West Coast cuisine – a mélange of the best ingredients, Asian influences and imaginative pairings. In fact, our scratch kitchen uses only the freshest local and seasonal ingredients whenever possible and we offer a wide range of alternatives for all tastes and diets. And our wine list features the finest selection of British Columbia's award-winning wine industry.
